

# \*WATER NOTICE\*

The Town of Vonda will be conducting repairs to a hydrant and/or valve at the intersection of Railway Avenue/6<sup>th</sup> Street. Repairs are scheduled to occur Tuesday, May 24, 2022. Water services that day will be affected starting as soon as 9:00am for an undetermined amount of time. Once the repairs have been completed, it is likely that a boil water advisory will be in place as per Water Security Agency standards. We will post BWA information on the TOV website. Please plan accordingly. We apologize for any inconvenience.
