Hi Linda,

Please see the attached service calendar for your Waste and Recycling cart collection schedule.

To help ensure successful collection service, please review the following cart placement guidelines:

General Cart Placement Rules

- Place carts out by **7:00 a.m.** on your scheduled collection day.
- Leave carts accessible until **7:00 p.m.** in case collection is delayed due to vehicle breakdowns, weather conditions, or other unforeseen circumstances.
- Remove carts promptly after collection.
- Maintain a minimum clearance of **1.2 metres (4 feet)** from vehicles, fences, snowbanks, and other carts.
- Place carts on a level surface with the wheels and handles facing your home or alley collection point.
- Do not place carts on sidewalks or block driveways.
- Carts must not obstruct pedestrian or vehicle traffic.
- Place carts on even ground to prevent tipping.

Black Cart (Garbage) Criteria

- All garbage must be bagged and securely tied before being placed in the cart.
- The lid must close completely, with no waste protruding or resting on top.
- Cart sizes are available in Small (120L), Medium (240L), and Large options depending on household needs.
- Prohibited items include:
 - Recyclables
 - Electronics
 - Construction materials
 - Liquids

- Hazardous waste

Blue Cart (Recycling) Criteria

- Accepted materials:
 - Clean paper and cardboard
 - Metal cans
 - Rigid plastic containers displaying recycling symbols
- Prohibited materials:
 - Black plastics
 - Plastic film
 - Glass
 - Hazardous waste
 - Electronics

Additional Care and Winter Collection Information

- Place your cart on the street in front of the residence to which it is assigned, with the wheels facing the curb.
- During winter months, residents are responsible for clearing snow and debris around carts. Do not place carts on top of snowbanks.
- If possible, store carts in a shaded area and always ensure lids are fully closed.
- Periodically rinse and clean your carts using mild soap or a vinegar-water solution.
- Please dispose of wash water on grass or gravel only. Do not pour soapy water into storm drains.

If you have any questions regarding your collection schedule or cart placement requirements, please let me know.

Thank you,
